

1) This is not a survey. This is a preliminary tract layout for planning purposes only.

SCALE: 1" = 200'

GRAPHIC SCALE IN FEET

A horizontal graphic scale bar. It consists of a central white rectangle labeled '0' below it. To the left and right of this central rectangle are two blue rectangles. Below the left blue rectangle is the label '200'', and below the right blue rectangle is the label '200''. The entire scale bar is labeled 'GRAPHIC SCALE IN FEET' above it.
